President's Message

BRYANT D. RICHARDS
President of Royal Glenora Club

On behalf of the Board of Directors and members of the Royal Glenora Club, it gives me great pleasure to welcome the competitors and officials participating in the 1965 Prairie Sectional Figure Skating Championships.

It is functions such as this which bring our vast country and people from various walks of life together in a common interest and for this reason forms a very important purpose in our sporting and ever competitive society.

I would like to thank the skating committee who has worked so hard to make this event possible.

Trusting that this event will meet with every possible success.

Congratulations

On behalf of the City Council, the Citizens, and myself, I take pleasure in offering my sincere congratulations to the participants and management of the Prairie Sectional Figure Skating Championship.

Figure skating is one of the finest true combinations of the arts and athletics. The Royal Glenora ice shows are famous for their highest quality production. It is entirely feasible that some of these artists will one day bring an Olympic gold medal home to Canada.

Our wish is your continued and complete success.

MEMORIES of the OLD WESTERN SECTION

By BERT PENFOLD

First Vice-President
Canadian Figure Skating Association

The Canadian Figure Skating Association, as it is constituted today, is probably the largest and most influential organization of its kind in the world. It directs and controls figure skating in Canada through 240 affiliated clubs, representing between 75,000 and 100,000 figure skaters from Vancouver Island to Newfoundland. For purposes of government Canada is divided into seven Sections, British Columbia, Prairie Section comprising the Provinces of Alberta, Saskatchewan and Manitoba, Northern Ontario Section, Western Ontario Section, Central Ontario Section, Eastern Canada Section and Atlantic Provinces Section.

Each of these seven sections hold Sectional Championships each year and the three top skaters in these sectional senior events are eligible to enter the Canadian Junior Championship events which are part of the Canadian Championships being held in Calgary this year.

Twenty years ago there were no sections. The Canadian Championships were competed for mainly by Eastern Canada skaters representing a few large clubs in that area. There were no other competitions beyond the club level and, consequently, our western skaters had little or no opportunity to compete. It was at this time that an idea which had been simmering in the minds of some vitally interested Western people blossomed forth and culminated in the birth of the old Western Canada Section. Two meetings were held, the first at Edmonton in the fall of 1946, sponsored by the Glenora Skating and Tennis Club Ltd. and the second one at the Glencoe Club in Calgary in January, 1947. At this second meeting a resolution was passed resulting in the formation of the first section in Canada, the Western Canada Section; the territory to include Victoria in the west to Fort William and Port Arthur in the east.

The writer had the honour and privilege of being the first President of the Western Canada Section and the first annual competition was held at Regina on February 15th and 16th, 1947. There were between 30 and 40 skaters who participated in this first sectional competition representing clubs in Vancouver, Calgary, Saskatoon, Regina and Winnipeg. Judges were Dr. Urban Gareau, Mrs. A. G. E. Robbins and Roy M. Barnes. Allan M. Kerr was referee. The Novice and Junior events were held on Saturday and the Senior events on Sunday. All events were held on the natural ice surface at the Wascana Winter Club and bleachers were erected on the ice surface at the south end of the rink for seating capacity. This greatly handicapped the free skating and dance events.

Event winners and runners-up were as follows:

Men's Novice Singles—Malcolm Wickson, Vancouver; Ladies' Novice Singles—Frances Abbott, Winnipeg; runner-up, Mary Lou Coy, Regina; Men's Junior Singles—Ross Smith, Winnipeg; Ladies' Junior Singles—Jean Ross, Vancouver; runner-up, Joan Penfold, Regina; Junior Pairs—Jeane Matthews and William Lewis, Vancouver; runners-up, Ivy Smith and E. G. Leonard, Saskatoon; Men's Senior Singles—Roger Wickson, Vancouver; runner-up,

The second section was formed shortly after this in Northern Ontario under the guidance of Doug. Deyell, but it was not until 1956, almost ten years later, that Sectional rules were eventually written into the C.F.S.A. Rule-book and Sections were formed right across Canada. For the next few years there were five sections, the Western Canada section continuing to embrace all of the territory from Victoria to Kenora, Ontario. The Eastern Canada section covered all the territory from Ottawa to Newfoundland. These two sections became too unwieldy and covered too vast a territory, involving heavy travelling expenses, and finally in 1959 the British Columbia and Atlantic Provinces sections were formed, making seven in all. The splitting up of the old Western Section made it necessary to return all of the old trophies to the donors and to provide new trophies for both the new sections and also involved a painful tug at the heartstrings of many of us who had been closely associated in the Old Section for some thirteen years. A few tears were shed and the new Prairie and British Columbia Sections were born.

I am sure that this brief reference to bygone days of skating in the West will bring back nostalgic memories to many loyal supporters of skating in Western Canada.

c.c.m. skates can help you skate better

HERE'S WHY! C.C.M. matched figure skate sets are carefully designed to encourage you to a poised, brilliant skating performance.

Man or woman, boy or girl, there's such a wide range of C.C.M.'s that there will be one to suit you perfectly.

There is a pair of C.C.M.'s to suit your budget, too, because C.C.M. has a whole range of models from beginner to professional. And the C.C.M. name is your guarantee that you'll always get a perfectly-matched, expertly-made pair.
